

QUALITY POLICY

The team at Source Energy Atlantic Inc. is committed to maintaining a Quality Management System for its operation through continual improvement and customer satisfaction.

These continual improvements to the Quality Management System are maximized through our use of quality objectives and the measurement of our clients satisfaction of our service to them. We continually review our Quality Management System to ensure it's effectiveness and continued suitability to our business activities, and to ensure compliance with ISO 9001:2008 Standard.

Through these and other considerations Source Energy Atlantic Inc. is committed to providing exceptional customer service, and quality products that meet and where possible exceed our customer's, statutory and regulatory requirements.
